

- ⌘ Minimize the time it takes to discover hotel as my expectation
- ⌘ Minimize the likelihood that bedroom accessory not match with my taste
- ⌘ Minimize the likelihood that have smoking smell after visiting
- ⌘ Minimize the likelihood that my asset loss during travel

- ⌘ Minimize the likelihood that the selected hotel full while I am booking
- ⌘ Minimize the likelihood that the booked hotel is not beautiful after visiting

- ⌘ Maximize the likelihood that photo taking in hotel as my expectation

## Back up

Minimize the time it takes  
Minimize the likelihood.  
Minimize the likelihood.  
Minimize the time it takes.  
Maximize the likelihood.  
Minimize the likelihood.  
Minimize the likelihood.  
Minimize the likelihood.

to discover hotel  
that the selected hotel full  
that the booked hotel is not beautiful.  
to travel  
that photo taking in hotel  
that bedroom accessory  
that have smoking smell.  
that my asset loss.

as my expectation  
while I am booking  
after visiting  
as my plan  
as my expectation  
not match with my taste  
After visiting  
during travel
